High Club Team Traditional Longbow/Barebow	-
High Club Team Compound	-

The ITAA team scores to be submitted by mail are the ten highest individuals in each category. The four highest in each category will count for the international postal tournament.

The Allowance Awards will be determined by an archer's previous years Bowmen Round score. The award will be presented to the archer who scores the highest above the previous year.

Club teams are determined by three members shooting the same bow style from a local club.
