## 2017 JOAD Outdoor State Championship

### Event Overview

The 2017 ITAA JOAD Outdoor State Championship was an experimental tournament. While all JOAD archers are welcome, as always, at the outdoor state championship that we hold every summer, Town Hall Archery in Belleville made a proposal to hold an additional JOAD-only outdoor state championship. 53 youth archers gathered at Town Hall's outdoor venue for a long full day of shooting. The chosen format is a one-day 720-qualification followed by Elimination Round. As with all of our experimental events, not only do the archers learn about themselves, the organizers gain experience and get lots of real-world feedback from everyone involved.

### Conditions

**Temperature:** 90 F

**Wind:** 9 mph, max of 23mph, gusts of 26 mph

### Qualification Results

#### Barebow Bowman Female - 30m

Adriana Cain.....	North Side Archery Club.....	509
