

Illinois Target Archery Association

2017 Summer Elimination Games

Event Overview

The 2017 ITAA Summer Elimination Games tournament is an opportunity for archers to experience the head-to-head elimination style competition. We had several rounds of head-to-head matches, followed by a single-elimination bracket. The results below are both the summary of the individual brackets. The planned team elimination rounds were cancelled due to the high winds.

Conditions:

Temperature: 67F

Wind: 10-15mph, gusts up to 20mph

Individual Elimination Bracket Results
