

NORTH REGION FITA FIELD
MAY 5 & 6, 2018
FINAL RESULTS

The 2018 North Region FITA Field was held on May 5 and 6, at Chicago Bow Hunters, in Bolingbrook Illinois.

We enjoyed two days of gorgeous weather and excellent shooting, highlighted by tournament records set in many categories. Dan Jasa, Jason Pfister, Nathan Zimmerman, Dana Janiec and Olivia Artz shot scores hotter than the weather. Congratulations!

Tournament majordomo, Tom Havel, created what might have been the best field layout the tournament has had to date. Targets were strategically placed throughout CBH, providing challenging angles and deceptive yardages which archers had to maneuver.

One of the things which sets this tournament apart from many others is the hospitality shown to guests. The CBH crew was on its game! Gwen Sanborn led a team which has enhanced this event and raised the bar every year, by providing delicious food and a welcoming presence. Many thanks to Big Daddy, Dave Schaefer, Julia Schaefer Kim Schaefer, Amy McDonough, Aly McDonough, Stacy Litwin, Chris Neal, Jaime Neal, Kathleen Badon John Goldthwaite. In fact, there was so much laughter and fun coming from the clubhouse, I'm sure I will have forgotten someone, but your efforts are not forgotten!

Things can often become chaotic when coming to an event, but our crack crew at registration quickly and effectively welcomed shooters and made sure they were checked in and properly situated. Jill Baus, Patricia Carmichael and Matt Carmichael put everyone's mind at ease and made check in seamless, tracked monies and tabulated results. Kudos!

We all know the course did not 'just appear'. Hours and hours of planning and work went into creating and setting up the field. Heather Hodge, Dennis Timpanaro, Brent Harmon, Jim McDonough, Randy Rutledge and Tom Havel all worked in concert to execute this year's beautiful field course. And long after the final arrows flew, Andrew Querol and Tom Havel worked hard to bring in all the targets and clean the field.

There were many more volunteers providing all kinds of essential support to the event. Tony Kaap set up and managed our registration. Braniff Kirkpatrick and Dana & Jeff Janiec glued targets. Tom Harshaw provided target transportation, while Jonas Lumayag provided custom cut cardboard backing for our target faces.

Together, all of our volunteers make the North Region FITA Field one of the most anticipated tournaments of the year. We thank you and appreciate your efforts!
