Overview:

This event began the day with a 720 Round to determine the State Champions in each category. After a lunch break to wrangle scores, we set the match-ups for the Top-8 Shoot Down.

The Top-8 Shoot Down invites the top eight qualifiers in five combined categories into a head-to-head elimination round tournament, culminating in individual gold medal matches shot in the special finals venue.

We combined age groups for Female Compound, Male Compound, Female Recurve and Male Recurve, and combined all Barebow archers. This made a very full day of archery, but ended with gold medal matches shot from a stage with announcer commentary, between bleachers full of cheering fans and teammates. The young archers did a great job handling the pressure and unfamiliar circumstances to put in great performances. The matches were close, and one was only decided on a closest-to-the-center measurement with 1 millimeter of difference!

The whole community contributed to this event as field crew, bale movers, scoring agents, category judges, arrow runners, cheerleaders, and, of course, archers putting on great performances! The event finished up on schedule with plenty of time for the scavenger hunt at the All Night Flea Market event – an annual highlight at the Fairgrounds.

This event is World Archery (Star FITA) sanctioned. Scores shot here are eligible for World Archery Target Award pins. Details are available on the ITAA website.

Notes

Guest Archer Awards

The ITAA enthusiastically welcomes archers from outside of Illinois. Podium awards are presented to all archers regardless of their place of residency. Because we also have the duty to establish state champions, we also present awards among the archers from Illinois.

*Indicates an archer from outside of Illinois.

Tie-Breaking

In the case of a tie score, the winner is determined by the higher number of total 10s, then by the higher number of Xs. If total score, 10s, and Xs are all even, then there is a complete tie.

Scavenger Hunt Results:

Sharing the Fairgrounds with us on the weekend was the [All Night Flea Market](#). Once the awards ceremony finished, archers and families were challenged to a scavenger hunt at the Flea Market. Scavengers were sent with a categorized list of items. Different categories were assigned different point values. Participants could snap photos of the items on the list to count as “found.” (Extra bonus points were awarded if participants found items that Randy was shopping for and called him right away!)

The winners of the Scavenger Hunt was the team of Angela and Jasmine Sipla. They found nearly every item and scored a whopping 462 points! They photo’d and reported their items, for a big win. They will each receive a \$25 gift card for their achievement.

Congratulations to the Sipla Super Scavenger Sleuths!
