Notes

This event is the largest single line outdoor event ever held by the ITAA. The field took around 12 hours to set up, but the teardown went very quickly with so many helping hands.

The DuPage County Fairgrounds venue brought additional shade tents, a lovely butterfly garden, and the extra adventure of occasional train traffic rolling behind the targets to test the archers' concentration.

Our event featured first-tournament archers, lifelong archers, and national champion archers. Some medals were won by only a couple of points. One archer earned her Bronze Olympian Pin for her outstanding score.

This event is World Archery (Star FITA) sanctioned. Scores shot here are eligible for World Archery Target Award pins. Details are available on the [ITAA website](#).
