## Overview:

This event began the day with a 720 Round to determine the State Champions in each category. After a lunch break to wrangle scores, and a Tug-of-War halftime game, we set the match-ups for the Top-8 Shoot Down.

There’s always down-time during an event while the scores are compiled before the awards ceremony or the elimination head-to-head bracket. This year we filled that time with a game of Tug-of-War. We held rounds for the JOAD youth archers, and rounds for the coaches and parents. Once the official rounds were finished, there were some kids-vs-parents rounds where a great deal of silliness ensued.

The Top-8 Shoot Down invites the top eight qualifiers in five combined categories into a head-to-head elimination round tournament, culminating in individual gold medal matches shot in the special finals venue.

We combined age groups for Female Compound, Male Compound, Female Recurve and Male Recurve, and combined all Barebow archers. This made a very full day of archery, but ended with gold medal matches shot from a stage with announcer commentary, between bleachers full of cheering fans and teammates. The young archers did a great job handling the pressure and unfamiliar circumstances to put in great performances.

The whole community contributed to this event as field crew, bale movers, scoring agents, category judges, arrow runners, cheerleaders, and, of course, archers putting on great performances!

### Guest Archer Awards

The ITAA enthusiastically welcomes archers from outside of Illinois. Podium awards are presented to all archers regardless of their place of residency. Because we also have the duty to establish state champions, we also present awards among the archers from Illinois.

\*Indicates an archer from outside of Illinois.

### Tie-Breaking

In the case of a tie score, the winner is determined by the higher number of total 10s, then by the higher number of Xs. If total score, 10s, and Xs are all even, then there is a complete tie.
