Guest Archer Awards

The ITAA enthusiastically welcomes archers from outside of Illinois. Podium awards are presented to all archers regardless of their place of residency. Because we also have the duty to establish state champions, we also present awards among the archers from Illinois.

*Indicates an archer from outside of Illinois.

Tie-Breaking

In the case of a tie score, the winner is determined by the higher number of total 10s, then by the higher number of Xs. If total score, 10s, and Xs are all even, then there is a complete tie.
